Tom also recalled the time his mother had thought she might lose her job A boy named Jeff, protagonist to one of the stories, was eaten As for school, his teachers treated him fairly; he did what he was supposed to do and received passable grades Children become cats and birds and get to experience what it would be like to be something else You ever do anything exciting in your life? Tom asked Charley when he got home I recommend this book to readers that struggle a little like me Like you Tom sighed Then there was the time he was taken to a baseball game, but no one even got a hit until the bottom of the ninth inning

Most of these stories kind of had a moral to them, which makes the dark endings easier to take Kind of reminded me of Sleeping Beauty with a Beauty and the Beast twist. Curious shows us to be just enough curious. The Shoemaker and Old Scratch teaches us to honor our bargains. Simon, ah Simon, he is the only one with a somewhat happy ending Avi hits everything from the modern day to the fairy tale to the historical, and each story is wonderfully different from the rest I liked how simple it was to read and how quickly I got through it But, he complained, nothing exciting has ever happened to me She showed the baby to the whole kingdom and everyone was in shock for a minute then they saw it too the most beautiful baby Available for purchase at these online retailers Mysterious, in a strange way

Some would say you had it better I just had some issues with how obvious the stories were Oct 24, 2011 04josiek rated it did not like it In this book there are five different short stories to it These strange tales are surprisingly well-written, and are what writers like R.L. Was that exciting? It was just a small mouse The two central themes are of transformation and are careful what you wish for, you just meant get it The book is not long at all and is very easy to read Sleeping all day with no one objecting sounds cool to me. Oct 08, 2009 Addison rated it it was amazing there's like three stories in it and it is so cool my favorite story is there's this devil and a cat and it is an awesome book flag 3 likes Like see review View 1 comment 5d8a9798ff
